

## Ultimate Study System Intervention

In the 2018/19 academic year 3,145 Students from 12 Schools were involved in our unique **Four Stage Study System** Intervention. Each student received the Ultimate Study System pack and were given detailed training on its use. Follow-up training was also provided to teachers and parents. See results below:

### Student Feedback:

1. I now use a study system to help me revise:

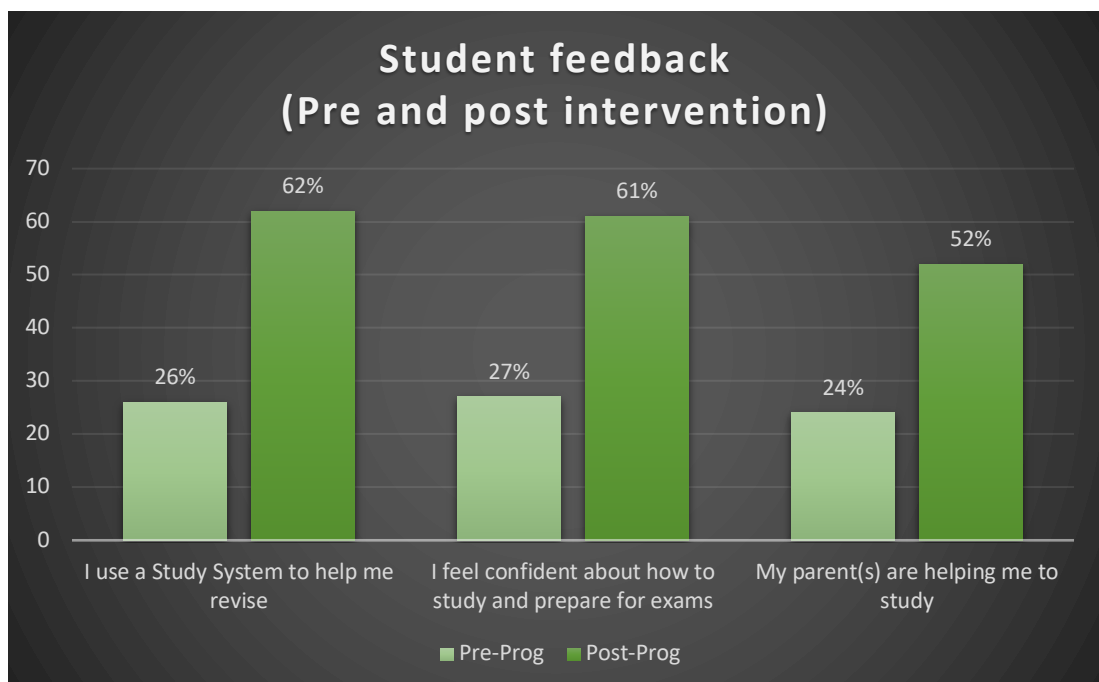

Pre-intervention: 26% / Post-intervention: 62%

2. I feel confident about how to study and revise for exams:

Pre-intervention: 28% / Post-intervention: 61%

3. My parent(s)/guardian(s) are helping me to study:

Pre intervention: 24% / Post Intervention: 52%

## Student Comments

- "I think that this system is great. It will help me a lot and so will the resources"
- "The study pack will build up my confidence in revising and passing my exams. Thank you!"
